INTRODUCTION:

Dr B. R. Ambedkar (Bhimrao Ramji Ambedkar) unmistakably known as Babasaheb was considered in supposed inaccessible station gathering of Mahar. However, for him this was not the shackle to reach at top. He transformed into a staggering educator, speaker, realist, pioneer and earned much more trees of this sort. Similarly he was first from his remaining to get school guidance in India, as untouchables were not allowed to get preparing, they were not allowed to adore in asylums, they were not allowed to drink water from the source that was used by upper station people, etc. So even while packing in school he had faced each and every such isolation. In any case, with a veritable soul of a warrior in the wake of completing his examinations in India, he went to London School of Economics for additional assessments and transformed into an unbelievable lawful instructor. He is a certified instance of a free man who locked in against all the odds to achieve his goal. Close to his end he got Buddhism for shrewdness, moral quality and to guarantee mankind. Furthermore he found that Mahar people were truly Buddhist who wouldn't give up Buddhism at one purpose of time. Thusly, they needed to live

external the town and with time they transformed into a removed station. He moreover created a book named – 'The Buddha and His Dhamma' .

He was picked as a first law minister of self-ruling India and assigned as a Chairman of the Constitution Drafting Committee. His activity was to create another Constitution for India. By making sure to procure balance society he did extraordinary for untouchables. For this, chance of religion was described the Constitution. He made the course of action of reservation by recalling inaccessible and their condition in that India. He worked for the improvement of the status of women in India. Not only was this, anyway improvement of the Reserve Bank of India in 1934 moreover reliant on the musings of Babasahed that he had shown to the Hilton Young Commission. He was a readied budgetary master of his time and even formed very instructed books on monetary issues. Amartya Sen who is a Nobel Prize victor in money related issues had said that Ambedkar is his father in monetary issues. Dr B. R. Ambedkar was actually an engineer of a nation and an overall pioneer as opposed to just a Dalit pioneer. He is the individual who had given the guidelines of social value. Babasahed is one of the people who had manufactured India in her basic days. They struggled to free India and a short time later endeavored to amass India they had consistently needed. To remember this unbelievable man, Ambedkar Jayanti is lauded the entire route the country over especially by the individual who tail him. Today India needs more critical pioneers like him to fight and stay ahead at overall level.

OBJECTIVES OF THE STUDY:

DR. AMBEDKAR AS A SOCIAL REFORMER

Dr. Ambedkar had confidence in serene strategies for social change. He was upheld to protected lines in the developmental cycle of social change. He thought the elements like peace which are crucial for public activity. It additionally endeavors to continue foundations that will improve „social order“. He was inverse to the forceful technique in mutual change for it impediment the levelheadedness and make bedlam. He had no confidence in political agitation techniques. A government assistance condition of all can't be created on the grounds of dread, power and merciless strategies. As per him fierce technique to a quiet culture isn't just improper however excessively silly and shameless. He was a genuine Renaissance man, an individual who dominated in various territories of request. Despite the fact that he was loathed by traditional Hindus and marked as a demolisher of Hinduism, antiquarians currently understand the critical job Dr. Ambedkar played in perceiving Hindu society. A long way from being a double crosser, he assumed a significant function in rejuvenating Hinduism, resuscitating it by testing all that was treacherous and out of line inside it. Truth be told, he achieved a renaissance of Hinduism by inciting the Hindus to reevaluate a portion of the fundamental precepts of their religion.

Dr. Ambedkar had an incredible confidence in social reformers to make popular supposition for against of the gross disparities in the general public. He asked them to establish associations to manage dire instances of separation. The associations should bargain the incredible segment of society to allow to the mistreated and discouraged classes to work in various parts. The Hindu society should give a space to discouraged segments by utilizing them in their different segments fit to the limits of candidates. As indicated by him, social change and social equity are for sure basic to the libertarianism that any popular government must yearn it. As a social democrat Dr. Ambedkar stressed on an a lot more extensive perspective on consistent remaking of nation with thorough development and social mix in the Nation without position segregation. As the significant designer of the Indian constitution, Dr. Ambedkar built the protections for setting up a more evenhanded society to a large number of persecuted and discouraged classes. He was unequivocally accepted that political organizations were answerable for transforming the

current social foundations by utilizing administrative power to yield the outcomes. Political organizations will endure just when they effectively work for social reorganization.

DR. AMBEDKAR AS AN EDUCATIONIST

Dr. Ambedkar thought about training as an incredible instrument for raising the general status of the discouraged and denied classes. He thought, It is instruction that outfits moral armory for any social development, the more training the more the odds for progress. In his battle for the freedom of the Dalits from the Hindu social subjugation, Ambedkar had the correct awareness of the job that training needs to play. He wanted the height of the discouraged classes to be the obligation of the edified individuals in the nation. Accordingly he built up a chain of schools universities and lodgings under the shield of the People's Education Society which he had established in 1945. His accentuation, notwithstanding, doesn't lay just on scholarly training. He had understood the significance of mass instruction. As needs be he considered instruction as a way to make the Dalits mindful of their social real factors and to create in them mental fortitude and duty to battle casteism. He distributed four periodicals specifically 'Mooknayak' (1920), 'Bahishkrit Bharat' (1927), 'Samatha' (1929) and 'Janata' (1930). He urged his devotees that 'it is shameful to live at the expense of one's dignity and it is out of hard and 4 interminable battle alone one determines quality, certainty and acknowledgment . His profession as instructor, head and individual from authoritative empowered him to get understanding into the scholastic and managerial issues of advanced education, it additionally gave him rich experience and information on the complexities of instructive concerns. He encouraged the educators and the informed guardians to address the prerequisites and difficulties of the cutting edge world and approached them to work for teaching of reasonable reasoning and logical temper among the majority all in all and the youthful age specifically. To him, instruction is the main right weapon to chop down social servitude. It will illuminate the dalits to accomplish raised societal position, financial advancement and human and political rights. It would upgrade suspension of the well established qualities and would teach the qualities required for a pluralist society. It is out of this conviction that he made 'teach' the main expression of his motto "Instruct, Agitate, Organize".

DR. B. R. AMBEDKAR AS AN EMANCIPATOR OF THE DALITS

Dr. Ambedkar devoted his life for the elevating of Dalits. He was against the hypothesis of standing based predominance and social segregation. He cleared a way for lawful rights to establish the laws regarding progress of dalits which could decidedly change their lives Dr. Ambedkar consistently indicated his supporters, through the manner in which he carried on with his own life, that instruction and difficult work alone held the way in to their freedom. The untouchables had been a debilitated, powerless gathering of individuals, however Ambedkar instructed them to quit trusting that assist will with originating from an external perspective and to depend upon themselves. The thought was a progressive one for a people who had consistently been informed that their general situation was predetermined and that they had no power over it Dr. Ambedkar stated, "You can change your parcel, however don't rush to sanctuaries seeking after equity to come to you in paradise. There is equity to be found on earth on the off chance that you can battle for it. This thought gave them another fortitude and a feeling of sense of pride that they had never known. The Ambedkar sculpture was a symbol for discouraged and persecuted classes social equality. His stance, Constitution in his grasp and indicating another way for many discouraged individuals to current society were images in the new period.

AMBEDKAR AS AN EMINENT ECONOMIST

Dr. Ambedkar work in financial aspects is essential. His perspectives manages public account and agribusiness are milestone in the financial aspects. Prof. A. K. Sen has likewise stated, "Ambedkar is my Father in Economics. He is authentic commended boss of the burdened. He merit extra than what he has accomplish today. His commitment in the field of financial matters is astonishing and will be recalled forever..!"Ambedkar stated, „Economy“ in open use doesn't just mean a low degree of public spending, yet it is the shrewd utilization of accounts with the goal that each paisa gets the most advantage. Those

accountable for public supports must endeavor to assess elective strategies for accomplishing the destinations and make sure that spillages don't happen. Ambedkar's duty was interior solidness and he was persuaded that solitary a programmed framework dependent on highest quality level with gold cash could accomplish this attractive end. He was of view that legislatures ought to spend the assets gathered from the public according to rules, laws and guidelines, yet in addition to see that "devotion, astuteness and economy". Overruling in a discussion in the Bombay Legislative Council on October 10, 1927, Dr. Ambedkar contended that the answer for the agrarian inquiry "lies not in expanding the size of homesteads, yet in having concentrated development that is utilizing extra capital and more work on the ranches, for example, we have." Further on, he says: "The better strategy is to start helpful horticulture and to force proprietor of small deck to participate in development." Thus Ambedkar thought on open Finance and agribusiness has fundamental pertinence and still appropriate in current circumstance of India.

DR. AMBEDKAR AS A NATION BUILDER

He was out spoken about his thoughts of country building. He had extraordinary prescience and his admonitions about the eventual fate of India ring so obvious today. In a discourse before the constituent get together he advised his kindred officials against the utilization of non-sacred techniques for fight, for example, common noncompliance and Satyagraha, since they were basically an anarchic in nature. He energized against the Indian propensity to participate in saint love. He was worried about the possibility that that the individuals of India would lay their freedom at the feet of somebody they revered or depend them with unprecedented boundless forces. He additionally underlined the significance of making a political majority rule government, yet in addition a social and financial one. His PhD proposal was enlivened to set up for the Finance Commission of India and his works helped a great deal in surrounding rules for the RBI Act 1934. He was one of the organizers of Employment Exchanges in our nation. He assumed a crucial function in foundation of the National Power Grid System, Central Water Irrigation, Navigation Commission, Damodar valley venture, Hirakud undertaking and Sone stream venture.

ANNIHILATION OF CASTE- NOTIONAL CHANGE

Ambedkar was completely persuaded that except if a casteless and uncouth society is made there will be no advancement in India. This requires a social recreation and Ambedkar was clear about the way to achieve this change. Ambedkar took up the reproduction of Indian culture on the establishments of popular government as a 'method of related living.' He attested that Democracy, appropriately comprehended and applied would just be the panacea and started his public life in 1916 on this reason. Contrasting with the Congress and other 'Patriots', he announced that social unrest must go before political insurgency to guarantee that each resident appreciate the advantages of political opportunity."

DR. AMBEDKAR AS AN ARCHITECT TO INDIAN CONSTITUTION

Dr. Ambedkar's drafting of the Indian Constitution has encouraged the annulment of distance and the disallowance of all types of separations dependent on sex, religion, station and so forth. Attributable to the whole extraordinary contributions, Dr B.R. Ambedkar can be really entitled as the Principal modeler of the Indian Constitution. Notwithstanding, it is an unquestionable truth that Dr Ambedkar's vision of the development of a popularity based social game plan actually stays unfulfilled. Different nations everywhere on the world have followed the Indian Constitution. parliamentary framework In England than the Presidential System in America. Dr. Ambedkar portrayed the function of President as "He is the top of the state however not the chief. He speaks to country however doesn't lead the country. He is the image of the country. His place in the organization is that of a formal gadget on a seal by which the nation's choices are made known. The leader of the Indian association will be commonly limited by the exhortation of the Ministers. He can do nothing in opposition to their recommendation nor would he be able to do anything without their recommendation".

History produces scarcely any individuals who leave such a permanent blemish on the general public that their life comes to be viewed as an analogy for freedom, as a symbol for progress and change. One such individual who was an uncommon blend of massive information, remarkable political ability and a steady promise to social change, was Dr BR Ambedkar. Prepared as a financial analyst and a legal advisor, he is credited to be the key ideologue of establishments that structure the foundation of India, of organizations, for example, The Reserve Bank of India (which depended on the thoughts that he introduced to the Hilton Young Commission), and of nothing not as much as building of this country - the Constitution of India - the drafting board of which he led.

AMBEDKAR'S ACTIONS FOR SOCIAL TRANSFORMATION:

Dr.Ambedkar in his grand scheme of reconstruction of Indian society, fought for rights of representation as democratic rights. Basing on the prorata of population, he reasoned that all sections of the society including women should get rights of representation spheres of education, employment, agriculture, industry, bureaucracy and governance of this country. Branding that the Brahmanical society is based on Culture of Reservations- keeping education, rule and economy reserved 100% for the Brahmanical castes and relegating the Bahujans to service, he wanted to usher in Democratic society based on the Culture of Representations. His memoranda to the Southborough Committee, Montague-Chemsfeld committee, Muddiman Committee and his arguments in Round Table Conferences are based on the rights of representation as democratic rights.

CONCLUSION

In this procedure, Dr. Ambedkar rises not just as a Valliant upholder of the Indian equitable republic, yet too catches the extraordinarily unmistakable spot in the Indian Pantheon as an unordinary scholarly mass pioneer who stirred the social still, small voice of contemporary India. In this process, Dr. Ambedkar emerges not only as a Valliant upholder of the Indian democratic republic, but too captures the outstandingly distinctive place in the Indian Pantheon as an unusual intellectual mass leader who awakened the social conscience of contemporary India .
