The event took place on Jan 7,8,9, 1999. It was our humble mission that the Silver Jubilee should blossom as a National Educational Fair-Shaikshanika Jatire. Three day congregation was organized with this as the mind set and we were successful in reaching the target.

Hyderabad Karnataka Abhiruddhi Vibaga offshoot of Sri. Kottala Basaveshwara Bharatiya Shikshana Samiti has been working in the field of social upliftment of the region. It has touched several fields of activity ranging from agriculture to literatures from sports to computer education. The birds eye view of the various projects covering all the 24 taluks of Bidar, Gulbarga, Raichur and Koppal districts of the region is as follows.

### **From Silver Jubilee to Jagruthi Jatre The Legacy 1999-2007:**

On this auspicious occasion of Suvarna Karnataka we are assembling here to redeem our commitment forwards the betterment of Hyderabad Karnataka Region in particular and the state of Karnataka in general. The task is quite daunting and needs spirit of adventure a will to excel in the younger generation.

During this 50 years the civilization has moved from brick economy to click economy 20<sup>th</sup> century was name as an age of Automobiles and 21<sup>st</sup> century as an age of computers. Economy has been released from the shackles of permit and license Raj to globalization liberalization and privatization.

During 1947 the GDP growth of the Nation was only 1.5% Now the GDP growth has reached 8.0% The foreign exchange reserve has reached an astronomical figure of 160 billion dollars. The Nation is successful in providing midday meal to the poor children. We are on the verge of completing the Golden Quadrilateral highway programme and visionaries have already thought of linking river Ganga to river Cauvery.

With all these rosy pictures unfolding in front of us, what is the scenario in our beloved Hyderabad Karnataka Region? Even though we have a trunk broad guage railway line, Universities in Gulbarga & Bidar vast resources of raw materials for cement & Bidar, vast resources of raw materials for cement & pulse industries the economic growth rate is very meager. We have not been able to provide good drinking water and primary education to our people Even to this day our farming community is already dependent on the rain Gods for three survival with river kushna flowing amidst us.

All these backwardness, pitfalls, low expectations can be eradicated if only the efforts of the Government in poverty eradication programme is synchronized with the efforts of the philanthropic organizations. With concerted efforts lot can be achieved in the field of food, clothing, housing, education, drinking water & primary health.

The nation has leapfrogged from initiation stage to operation stage. Works that have been under taken by any social organization has five vital components.

They are:

- Public service
- Social Innovation
- Social Crits & Policy Advocate
- Collaboration with Government
- Building Civil Society institutions

All our efforts should be directed towards these five streams of thoughts which will definitely pave the way for all found development of our region.

Some of the activities that can be under taken by any philanthropk efforts are

1. Improving the learning atmosphere in the schools.
2. Encoursging advanced methods in teaching source English, Mathematics etc.
3. Coaching centers for CET examinations.
4. Coaching centers for KAS & IAS exams.
5. Developing adventure sports by stating a center like SPARK Bangalore society for the propagation of Rock Climbing in Karnataka.
6. Organizing Sports meets.
7. Tapping of Solar Energy & Water Harvesting

8. Agronomy Centers Monoculture farming
9. Scholarships to needy students.
10. Programmers for development of Enterpreneship in younger generation.
11. Encouraging Bidari works, kinnal Doll making works of local importance.
12. Publication of books & calendars of local Heroes, Mahapurushas & Swamijies.

The motto of the whole exerice is Sarve Jana Sukhino Bhvantu and Ekam Sat Vipra Bahuda Vadanti.
