“ USE OF LIBRARY BY UNDERGRADUATE STUDENTS OF N V SCIENCE DEGREE COLLEGE , KALABURGI ”

Suvarna Shiroom and Eakanath Rathod
Dept of Library and Information Science.

ABSTRACT:-

The College is an important link in our Educational system and its Libraries play a virtual role in the meaningful development of higher education and some extent forming the personality of the youth in the country. Education today places great emphasis on the use of

Libraries especially in the field of higher education .The use of Libraries is a great boon to encourage learning-gaining of knowledge and uplifting of education.If we analyse the Five laws of Library science as laid down by Dr .S.R .Ranganathan, father of Library Science and of Library movement in India, we perceive

the high standard which expected of every Library not only in reading of its services to readers but also in its effective and efficient management.

KEYWORDS: E-commerce, Customer & Business.

1.1 INTRODUCTION :

According to the new Education policy Challenge of education framed by the Government of India, the role of college Libraries is closely related to the teaching process of educational institutions to which it is attached. In India the importance of Libraries in higher education has been emphasized by various commission. The Kothari commission(1964-66) points at that Nothing could be more damaging than the neglect of Libraries of the low priority given to Libraries. A Library is a workshop where its user seek knowledge and Information from a variety of collections of Books, Newspapers, Magazines, etc.

N V Arts ,Science and Commerce College KALABURGI. N V Arts Science and Commerce college Kalaburgi was established in 1962, it is a recognized institute private aided college. 1.2 OBJECTIVES:

The study was primarily under taken with the primary objective to the study of the,USE OF LIBRARY BY UNDERGRADUATE STUDENTS OF SCIENCE OF N V DEGREE COLLEGE GULBARGA.

- 1) The characteristics of the study population
- 2) Access to Library resource at Degree college of N V Degree College Gulbarga
- 3) Frequency of use of Library Resources
- 4) To study the use of Library by students in the degree college under study.
- 5) To access the satisfaction level of the Internet Facility.

1.3 METHODOLOGY AND STUDY POPULATION :

Background reading on the topic and survey method was adopted to collect data on the research topic and to identify the appropriate research method to be followed. A questionnaire has been used to collect the information directly from the Undergraduate students of science of N V degree college Gulbarga during the Academic year 2016-17.

“USE OF LIBRARY RESOURCES BY SCIENCE STUDENTS OF N V DEGREE COLLEGE GULBARGA(UNDERGRADUATE) “

1.4 GENERAL INFORMATION :

1)Time of visit to Library:

Time	Number	Percentage
11am-1pm	18	60%
1pm-3pm	12	40%

Table 1 indicates the time of visit to Library,60 percent of the respondents visit Library between 11am-1pm, 40 percent of respondents visit Library between 1pm-3pm.

2)Semester wise Respondants:

Semester	Number	Percentage
2 nd sem	07	23.33%
4 th sem	13	43.33%
6 th sem	10	33.33%

Table 2 indicates semesterwise distribution of respondents 43.33 percent of respondents are from 4th semester,33.33 percent of respondents are from 6th semester, 23.33 percent of respondents belongs to 2nd semester.

3)Frequency of visit to Library:

Frequency	Number	Percentage
Daily	20	66.67%
weekly	02	06.66%
Once in a week	08	26.67%
Monthly	----	----

Table 3 indicates the frequency of visit of respondents to the Library 66.67 percent of the respondents visit Library daily, 26.67 percent of the respondents visit library once in a week, 6.66 percent of respondents visit Library weekly.

4)Types of Books used:

Types of Books	Number	Percentage
Text books	13	43.33%
E-books	---	-----
Reference books	17	56.67%

Table 4 Indicates that the types of books used by the respondents 56.67 percent of respondents are using Reference books, 43.33 percent of respondents are using text books.

5)Languages in which Newspaper is read:

Newspaper	Number	Percentage
Kannada	20	66.67%
English	08	26.67%
Hindi	02	06.66%

Table 5 indicates that Language in which Newspaper is read by the respondents 66.67 percent of respondents read Newspaper in Kannada Language, 26.67 percent of respondents read newspaper in English Language and 06.66 percent of respondents read Newspaper in Hindi Language.

6) Magazines read by the respondents:

Magazine	Number	percentage
The week	10	33.33%
sudha	12	40%
Taranga	08	26.67%

The above table gives information about Magazines.33.33% of students are familiar with The week,40% of students are familiar with Sudha,26.67% % of students are familiar with Taranga.

Reason	Number	percentage
To borrow books	11	36.67%
To use Internet	----	-----
To read the Newspapers	15	50%
To read the Magazines	04	13.33%

Table 7 indicates that the reason for using Library 50 percent of respondents use Library for the purpose of reading Newspaper,36.67 percent of respondents use Library to borrow books and 13.33 percent of respondents use Library to read the Magazines.
